

CLARK VIDEO PRODUCTIONS

Silver - \$650

- Consultation with you or event coordinator
 - Ceremony coverage only. Three full 1920x1080 High Definition cameras (1 operator)
 - Professional editing and special effects
 - Ceremony Trailer – Cinema style video short, set to music. Includes personal web page for online sharing with friends/family
 - 3 sets of DVDs with custom menu screen, set to music
 - High Definition computer files for all of your coverage. Valuable for archiving these memories long-term.
-

Gold - \$1000

- Includes Silver plus:
 - Ceremony/Reception Trailer – Cinema style video short, set to music. Includes personal web page for online sharing with friends/family. Note: This encapsulates the previous Ceremony Trailer
 - 1 camera/operator reception
 - Special events coverage (bridal party introduction, special dances, toasts, cutting of cake)
 - Optional guest interviews – no charge
-

Platinum - \$1450

- Includes Gold plus:
- Rehearsal and Rehearsal Dinner (see description below)
- Pre-Ceremony Coverage (see description below)

Optional

- **Pre-Ceremony (\$150)** – Go behind the scenes with the bride, groom, and attendants as they prepare. Includes coverage of the photo session, if taken before the ceremony. Great for capturing pre-wedding jitters!
- **Rehearsal and Rehearsal Dinner (\$375)** – Some of the most personal and unforgettable moments happen when a loved one stands up to share their heart during the special toasts. This coverage is perfect for all the memorable moments the day before “the big day”. Up to 3 hours coverage.
- **Photo Slideshow (\$50 per song)** – Often shown during the rehearsal dinner or reception. Choose 30-40 of your favorite pictures (per song). Can be made using digital images or actual photographs. Each song is set to music, includes special effects. Personalized, animated DVD menu screen set to song.
- **Additional DVD copies (\$15 each)**

For all packages, we:

- Use full 1920x1080 High Definition cameras
- Use professional lighting (when appropriate)
- Use wireless and shotgun microphones during ceremony
- Use a professional editing system (Final Cut Pro)
- Provide all DVDs in hard cases with personalized pictures
- Add special effects (transitions, slow motion, etc)
- Add a personalized DVD menu screen with split chapters

Remember that any of these packages are customizable – contact us for details!
